Salvête Canuck! “Most people won’t take time to find out truth.” (Thucydides)

Mark y^e this citizen! we were not present during *Kanata’s direst hours* : such as the 17th century Beaver Wars, Anglo-French conflicts, French and Iroquois Wars, or Acadian Diaspora; nor for the pivotal 18th century *Battle of the Plains of Abraham* during the Seven Years’ War, whereof *Haskalahic* Great Britain took possession of our nation from the French; nor for Pontiac’s War, the American Revolutionary War, the War of 1812, or North-West Pemmican War, neither for the “*efisgan*” Lower Canada and/or Upper Canada Rebellions; nor the *Michif agus Bungi Creole* Red River provisional government of 1869-70, whence corrupt inebriate Prime Minister Sir John A. Macdonald’s *sub rosa Zionist Occupied Government* (ZOG) brought about a *tyrannical reign of terror* in Manitobah - and again in the North-Western Wilderness after the enigmatic Galt-Hirsch-Landau railroader-colonizer **Dominion** “**Syndicate**” endowed cutthroat “*Mounted Rifles*” mercenaries to wage a *clandestine genocidical war of attrition* against the peace-loving First Nations and the French and Anglo Méacutetis buffalo-hunting scions of the coureur des bois, voyageurs and York boat brigadier pioneers of the Great Interior Plains (whence “*our enemies*” hanged South Branch Exovede prophet **St-Louis “David” Riel des Métis**[†] in 1885); neither for the *conscription crisis* of 1917... - yet some be amongst us who’d remember the Second World War, “le p’tit gars de Ste-Marie,” “Chuck” Crate, Parti national social chrétien and the *many general strikes, riots and massacres* which followed throughout the 20th century... and, most certainly, all *pure-born Canadians* shouldst readily recall la Front de liberation du Québec (FLQ) et *La crise d’Octobre* ou la Kanien’kehá:ka *Crise d’Oka*...

In so saying: “We must cherish our inheritance” Riel foresaw dark clouds form o’er our *true north, strong and free homeland*... oi! stretching *from sea to shining sea*.

We didst not choose to be where we find ourselves today - at this very moment in history, facing down the *fury of an awful adventus storm*. **Adrien Arcand** said: “Nous oublions trop facilement...” How true! it is now crucial we *whet our wits and steel our hearts* for **no ingenuous Canadian man or woman of conscience** may feign ignore the great and terrible havoc of this *bureaucratic fiasco* forced on us by our *Zionist-quisling-politicians* - a venal storm *even* now wild-raging throughout every town and city in Europe: in Britain, in Germany, in Sweden, in France, in Spain, in Italy and in Greece... *everywhere* - and it will quick become a *tumultuous tempest* deposited upon our very own doorstep, here in Canada...!

And, as they must do in Europe, we *too* shalt need crusade so *that* the generations which proceed us will not wake up one day *as a despised and persecuted minority* - as are our European brethren who are now *dying as a race* on the very *lands of their birthright* that is *soaked with the iron blood of their ancestors*. A *once-great peoples* rudely pushed aside to make living room for thaim ubiquitous pariahs encouraged to come seeking entitlement at our expense - we who have been taught to *wallow in scathing self-hate and shame* for the *glorious deeds of our Arcadian forebears*. [“Che serà, serà?” (Marlowe, *Dr. Faustus* 1.1.46)]

Well, I aperçu “No! yeh caint eat yer brioche and have it too, eh!”

We shall not be shamed and we will not be cowed. We shall give’r hell and take back what is rightfully *ours by birth* - not by chance but by *Divine Will* of “*Iselƿ*”

“Do we not smell the divine putrefaction? - for even gods putrefy.”

Nietzsche, *The Gay Science, Book III - 125*

Mark this “*prima facie onus of/and evidential preponderance for/to reasonable doubt*”:

Nae the false gods (q.v.) of despicable *Saturn-worshipping Abram* - him a filthy child-murdering retreatist bougre whom invited a destructive horde of kinky-haired, thick-lip, hook-nose darkielien hominids bearing the paniscus-eyed “*mark of Cain*” (i.e. *epicanthic fold*) amongst the Hassuna-Samarraic proto-Ubaidian peoples who’d adopted *his nomadic tribe*... - him so-saying unto **Nimrod**: “Let us make human beings *in our image, to be like us*” (i.e. to do the hard, dirty work of constructing the *so-called* ‘twin towers’ of *Babel*, whence arouse a *confusion of tongues* and brought about the end of that kingdom). Islam decrees the curst son-a-bitch thence smashed the archaic blonde-haired, blue-eyed totem relics of **Ur Kašdim** - *e’en as dost terrorist ISL*... - *more-so, so doth uncivil Antifa / Black Lives Matter reverse-racist thugs*) - *whether they whore them to idolatrous false gods of Judaism, Christ Jesus or Islam*. And not any goddess Far Eastern *esoteric philosophy of the heathen Third World* which hath been invited to establish lodges, temples, synagogues, and mosques midst us *folk* by grotesque “*politically correct*” *leftist agüators, maŕmionic occultists and bellicose feminazi thaumatourgöts*... as well as sundry beta-gammaic libtardo cuck-fuckers and myriad immoral cunt^s *SJW joujous*...

E’en as goëty **Asmodeus** influenced **Solomon** into idolatry by inviting his “foreign wives to turn his heart after other gods” - after *Ashtoreth* the goddess of the Zidonians, and after *Milcom* the detestation of the Ammonites, and *Chemosh* the detestation of Moab, and for *Molech* the detestation of the children of Ammon - until, *at last*, his personal vanity and religious/moral compromise led to social disintegration and strife for the “*am-hares*”: The *end of Solomon’s rule* was marked by several insurrections and attacks from both foreign and domestic enemies, *as well as* disintegration of national and religious integrity because of *cultural appeasements* weakening the social fabric of his kingdom... before *finally* being totally destroyed by king **Nebuchadnezzar II** of Chaldea.

Under leadership of **Judah Maccabeus**, many *Israelites* left *ancient Israel* to go to the “**Eternal City**” (Rome) in the second century BCE... and this practice continued until long after **Agrippa son of Herod the Great** had been educated in Rome alongside the *sons of the Caesars*. Agrippa was a favorite in court circles, but suffered several dramatic changes of fortune until the ascension of his friend **Caligula** to the imperial throne. After Caligula’s death, he helped **Claudius** to succeed him. It was not until **Titus** sacked *Jerusalem* and destroyed the *Second Temple* (70 CE) that the Jewish/Roman alliance was broken and the Jews were forced into slavery and used as labourers to help build the **Coliseum**. Yet, although enslaved... the devious Jewish population in Rome flourished.

The epidemic spread of the dangerous *Galutic Jewish sect of apocalyptic Christianity* and the founding of “turn the other cheek” **Apostolic Sees** was made a lot easier by the efficiency of **Imperium Römānum**, which *actually* developed and used it as a very damaging and *repressive pacifism system* - *an insidious form of mind-control* producing blind acceptance of slavery, taxation, and poverty. In the provinces, the great territorial gods - such as *Saturn* in Punic North Africa or *Jehovah* among the Hebrews - were accepted as “*legal religion*” (*religio licita*) on the grounds that their rites, even if *barbarous*, were sanctified by ancient tradition... as had countless local gods and goddesses worshiped by the ordinary inhabitants of the *Greco-Roman world*, these often being provided with a classical equivalent name and worshiped as “Roman” deities. But *fratricidal strife between Pharisitc Jews and Christians* - a “class despised for their abominations” and guilty of “hatred of the human race” - led to accusations against the opprobrious tax-collecting *kikyl* “*Synagogue of Satan*.” Moreover, Nero’s fire forfeited any chance the defiant, *martyr-attitude Christians* might have had of being recognized as

a “legal religion” separate from Judaism and led to *an* increase of excessively cruel persecution of these “sacrilegious instigators” and their “deadly superstition.” With the accession of **Marcus Aurelius** in 161, Christianity was souring exceedingly unpopular; instigated by Jews, Christians were blamed for causing *natural disasters* by refusing to worship the deities that protected communities, and were *also* accused of *immorality, unnatural vice and black magick* - *all* calculated to deliver the population into dire peril.

Constantine’s Edict of Milan (313) was not only the deathknell of the immortal godlings... but formally ended the persecution of Christians. Eleven years later (in 324), Constantine proclaimed *his* adherence to Christianity and *declared it the religion of the Empire* (now united under his sole rule). The **Roman Catholic Church** had triumphed!

The decline of Rome dovetailed with the *spread of Christianity* - and polytheistic pagan authorities were powerless stop it. In the late-4th century, the **Western Roman Empire** crumbled after a nearly 500-year run as the world’s greatest superpower - despite its superior military, economic and administrative factors. **Militant Christianity** displaced the polytheistic Roman religion, which had previously viewed the emperor as having a divine status, but *also* shifted focus away from the glory of the state onto a sole deity (cf. *Aton heresy*). Meanwhile, the *money-handling Jews* (i.e. *not Biblical Hebrews*) that previously maintained control of *both* the Roman Empire and/or the Church further complicating governance as the popes and other church leaders took an increased role in political affairs. However, the *tolerance for religious freedom* started to take a turn for the worse in 380 CE when the *Edict of Tessa Lonica of Teodosia* was put into act: The edict recognized Christianity as the official religion of the Roman Empire, with very little tolerance for *Jews and other religious cults*... including *Druidism*, the *Bacchantes*, and the heterodoxic heresy of *Arianism*.

Three centuries after Merovingian roi Clovis [] **Charlemagne** (*Pater Europae*) defended civil and commercial rights of *le Radhanim*, giving them relative tranquility for about two centuries; and, in the south, the **Ottoman Empire** *also* let *al-Dônne* live in peace; but, after 1000 CE, conditions became more uncertain for *Jews* because the *feudal system* and *artisan guilds* began to be put into place: *Jews* were barred from all guilds and were only allowed to act as *moneylenders*: (*At the time, the Church forbade all Christians from usury... and this would not be repealed until the 15th century*). In areas under **Aragon rule**, Jews generally lived peacefully until **King Ferdinand y Queen Isabella** expelled all Muslims, Sephardim, and maranos from the Spanish Kingdom in 1492... and, in 1569, the **Bride of Christ** expelled its’ *Italikim* and conversos from *lo stato pontificio*.

The *quintessential Nosferatuean-ideological world domination plot* was organized by **Adam Weishaupt**, a Khazarean pseudo-Jew who converted to Catholicism, becoming a Jesuit priest, and then, at the behest of the then newly-established **Khazar House of Rothschild**, defected and established the **Bavarian Illuminati** according to the ages-old *Protocols of the Learned Elders of Zion*. Its purpose was the total subjugation of the human-race (i.e. *goyim*, meaning *human cattle*) after the *final social-cataclysm* was to be brought about by the imposition of *oriental despotism*. Naturally, ha-Satan Rothschild financed that operation... - and every war since then! beginning with **Robespierre** and the **French Revolution**. More-so, one branch of the Rothschild family financed **Napoléon**; another branch of the Rothschilds financed Britain, Germany, and the other nations in the **Napoléonic wars** - a secret agenda the Illuminativists has implemented ever since - *now operating under various names and guises*: (i.e. *the US Council on Foreign Relations and/or the UK Chatham House Royal Institute of International Affairs*). Rothschild agent provocateurs set up what they called the **Congress of Vienna** and tried to create the **League of Nations** - their first attempted *one-world government* - *on the theory that all the crowned heads of European governments were so deeply in war-debt to them that they would willingly or unwillingly serve as their stooges*. But the **Czar of Russia** caught the stench of the plot and completely torpedoed it. The enraged **Nathan Rothschild**, then the head of the dynasty, vowed that some day he or his descendants would destroy the Czar and his entire family - and his God-damned Bolshevik descendants did accomplish that very threat in 1917... transforming Russia into a stronghold of *atheistic-communism*. Never forget, eh! *but* always be aware! of the God-damned *Sama’el I’satan lo* terrorist Israelis’ Damoclean **WMD SAMSON OPTION**.

“Pray, pray, be strong, think of your blessed family.”

Last words of **St-Rasputin**, трапез Миле. Харлеffie d’Pussy *de la famille Canadiénne*, Praefectus/i Studiorum

Zuo by hit! the *morning of the ghastly day of the rope* hath dawned upon Europe when *mere words of protest and “thought-crimes” must capitulate to direct action*. And “you” - the individual - like “our clansfolk” in Europe and South Africa and Australia - must *also take up this de tropic struggle* or *else* risk being doomed to a *mongrelized pseudo-history* as a *traitor to yine race... a traitor to yine nation... and a traitor to yine familial bloodlines*. Verily! we once were a *family*, here, in Canada - *all genealogically-related* one-to-another *quondam epochs* afore thet *rabid fifth columnist* Sir John A’s insidious **Dominion of Confederation** yahoo cabal betray us to *those God-damned sionista swine* - as if we were nothing but *their halaal/kosher chattel* to be bought, sold, bartered, traded, mortgaged, and liened against by the generations - thyne and myne generations - our generations (*past and present and future*). I say: So saith **Machiavelli**: “Be true to yourself...”

“O me compeers,” the time doth come to make a stand! repent and rebel.

This use to be a *predominantly White Christian country* - *our home on Native land* - and was established as sech by *our French habitant progenitours* - thaim who first put axe to tree and plough to soil *over four hundred years ago* in Acadia and Québec (*twenty years before the Mayflower landed its human cargo of marranos and Puritan Pilgrims at Plymouth Rock*). It be a *gadam lie to call our venerable engagé ancestors ‘immigrants’* - for they were **not!** **They did not immigrate** and settle into an already established nation. No! **They were colonists** - *brave trailblazers who boldly dared settle a hostile wasteland* - *and* though there were bloody struggles with the animistic indigenous Indian Nations... we *true-born Canadiénnes* didst not conspire in brute butchery of the savage New World aboriginals as done-did the *yentsn Zio-vermin* of the *US corporate cryptocracy* since before pseudo-converso quasi--Jew Cristofro (Christophé) Colomb purloined “los Amerika.” Nor did we involve ourselves in the *Judeo-Christian-Islamic* paradigm of *flesh-and-drug trade* - *fully established by an tripartite Cromwellian / Stadtholder House of Orange / Anúsic-Ashkenazim Yidsch - Dutch East Indies & British West Indies Companies* - *covenant* known as the **Bank of England**.

Oi! *our de jure Canadian heritage*, howe’er, twas *destiny manifest* by John Cabot, Jacques Cartier, Samuel de Champlain, Radisson and Groseilliers, and the many French Nor’Westers, English explorers and Orkney Chief Factors of the Hudson’s Bay Company, and hinterland furrier adventurers of the *Beaver Club*.

Strothe! *our glorious Canadian herütage* is *essentially* rooted in Native Indian and Otipemisiwak autonomy - but we owe the birth of our modern nation to White men... White women... White families... White culture... White values... - *qua supra*.

Less than fifty years ago - if you weren’t White or Christian you most probably didn’t exist here! It weren’t till the CZF traitor PM Pierre Elliot “Ti-Pet” Trudeau threw open the *floodgates to pandemic “persona non grata” refugee expatriation* in the 1970s that terms like “*multiculturalism*” and “*global village*” came into popular use - for all practical intents and purposes those terms are synonymous with

“White Genocide” and the “*global slum*” of an elitist “One World Government” ruled by depopulist overlords... war profiteers... opulent scieners who own all (e.g. *Bill Gates, Elon Musk, Mark Zuckerberg, Jeff Bezos, Warren Buffet, Lloyd Blankfein, etc....*) - pricing our beguiled souls! we who have nothing despite having slogged *sweat and blood and tears* to engender our peerless posterity - yet now “Castro’s little potato,” PM Justin Trudeau, hath gall nuff to panegyrize incessant wont... - worse yet... the parsimonious sphincter lauds us with guarantees of surging taxation and unfulfilled privation from atop his *sallow hijrahic Trojan high-horse*.

More-so, if you were *a filthy pervert* prior to the *Marxist cultural* and *Freudian sexual revolution* of the late-60s... you kept it hidden. We, by nature a virtuous peoples, hadst ideals - *familial ideals* - *naturally creative Aryan pantheistic ideals!* And now our nation, like those in Europe, has been ruined! ruined forever! ruined to the point where we caint honestly talk about our concerns openly - so as to freely and unabashedly express our opinions plainly... without *unjust condemnation by subhuman leftist commie scum* - lousy apish atheists, silly libertarian blockheads, and divers deviant queers who've brought us to a *licentious point of no return*.

O yea! we canst in good faith express *our heart-felt opinions* on the very soil *our grandparents and great-grandparents* were told they hadst *no choice but to die to protect* during the First Great War... thence in the Good War - the *supposed* wars to end all wars! Note: **Clausewitz** wrote: “War is [...] political commerce.”

Egad!!! Where is the resistance? our resistance? your resistance?

Why dain't anyone but *a brave few* dare raise their voices up against the dire furor of *abysmal hatred and contempt and disbelief* brouhahaing bedlam o'er us? yea, too few dare deign aver protest o'er wha boondogglin' be a-goin'-on?

Twice in the last century “our people” were *drowning in blood* on the sacred urheimatic soil which gave birth to us and in the wastes of the cold oceans laying betwixt our motherland and the **Eurasian Continent**. Oi! our people lived in hell and died with *blind hatred* for our **Romano-Germanic brethren** who boldly stood up ag’in the **Jezebelean House of Rothschild** and their *witchy Zevian-Frankist ilk* which has been spreading Cthulhuic tentacles over the globe since the defeat of **Emperor Napoléon Bonaparte** at Waterloo in 1815, whence the dastardly “**Red Sign**” first subjugated the *London stock market* and claimed possession of “**The Crown**” - to rule over the *land upon which the sun never sets*. And tis this very same *iniquitous Khazarean-Ashkenazi and Viennese banker-mafiosa junta* which has caused most e’ery *gadam* conflict on the face of the earth since that o’ so woeful day - *et dixit*: They instigated *both* the English and French Revolutions... and the American Civil War - not to free *the Black African slaves* (which *their foul tribe* had seeded upon the soil of North America), but a war to create and establish a *federal reserve* and *central bank* in America... which **President Abraham Lincoln** opposed. What hapt Honest Abe...? - and those *Mystick Krewe of Comus* criminals got their federal reserve and central bank. The **Holy Romanov family** stood in their way...: Look what the evil Bolsheviks didst them - *vidit et dixit*. **President John F. Kennedy** tried to stop them... - look whast the **322 Brotherhood of Death** did him! Indeed, there has nary been a government which these *usurious international fiat-money-changers* hath not foully corrupted... - including our government of Canada.

And we, descendants of *those decent and humble people* who lived and died building this nation great have been and are being *trampled underfoot* by GOG & MAGOG : *Kol Nidreic cambists, shyster lawyers and sociopatriotic CEO's* - and by *sodomistic priests and pedophilic politicians* (especially owly "Bilderbergers," "Bohemian Grovers," "Committee of 300 Olympians," and the likes of Halliburton-Blackwater... and the "Pugs Club")... *Luciferean celebrities... ersatz patricians...* - that abhorrent *Zeving-Frankist clique* "lionizing" *a gynandrous "moon-eyed, Golden calf* and looking down on its *sêge common folk* with disgust and contempt.

I assure you citizen! our children will either speak about how their parents stopped this **“Sidonian-born tragedy”** of the **Fourth Industrial Revolution** ^{FC1} infrastructure from **robotizing dehumanity**... or they will be **ousted slaves without human rights or freedoms... - mopes incapable of voicing their minds** much less having the **Free Will to Power** to think and/or do for themselves - quick become **manufactured into an oppressed sequestrate** doomed to be **eugenically bred** - as Baselist **Israel Cohen** schemed... *and* as the miscegenate **Kalergian founders of the European Union** have manifestly stated *that* they are doing...! which is why the **military-industrial-petrochemical-political complex** seeds a **“darnel”** ^{FC125} asylum-seeking Afro-Asian “cuckoo replacement population” in our midst... which is the reason they have invited taqiyyaic jihadists into our midst... which is why they are sabotaging our ability to nationalize... which is why they are striving to mutate our DNA by binding natural carbon proteins together with exogenous silicon enzymes... which is why they have been, are doing, and shall never cease nor desist in **unethical “humanzee” experiments** nor **biotechnological clone research** for exploitative purposes (i.e. warfare, resurrection, and organ harvesting)... which is why they have re-orientated our human sexual-and-gender identity, as with **trendy tribalism, tattooing, body modification**, and by inhuman-and-unnatural alienating **transhumanism**... - which is why they lie, cheat, scam and steal from us... and incessantly betray us to **our despotic and tyrannical enemies**: *Aristocrazia Nera* (*Black Nobility*), the most ignoble Order of the Garter, Khazarean Quabbalists, *Red Papists*, *Popish Jesuits*, *Wahhabi terrorists*, *kitmaniac Muslims* (*Sunnis and Shias*), *nuova imperialists*, *Satanic Thelemites*, *Fabian socialists*, *vix populists*, and the cult of *secretive alphabet “Beast-system” agencies*: the UN-CFR-RXIA / NSF TCP-IP Suite / SEC-FRB-QUANGO-BIS-IMF-WTO / FBI-DEA-BATF NCI-NSC-JIO-ISC / M15-S15 M16-CIA-GIP-MOSSAD (i.e. ISIS) FSB-SVR-GRU-FSB (viz. KGB) BND-BMI-MAD / DHS-NSA-NCS-FEMA PCO-CSIS-RCMP-DND-CBSA CSEC-DGID-ICO-ITAC / NORAD-EMERCON-CAEA-CNSA-IAEC NASA-CERN-IAEA, etc... etc... etc... - e.g. **Novus Ordo Seclorum** (i.e. the **Technocratic Dark Age** of deception, devastation, depravity and ‘so forth aka the apathetic technoutopic era of **augmented AI-symbiotic reality** and **totalitarian global RFID-GPS surveillance**).

I assure you citizen! if our children cannot proudly say in the future that their parents - that *“we few”* caring individuals who now speak out agin the *vast roar of a disbelieving and dumbfounded lemming multitude* who all too readily believe in the *lies-n’ half-truths* we’ve been sold by a *mainstream mass-media propagandist Judas-goat of departure* - that “we” went out to inspire *sleeping multitudes awake and rouse for action*... thence no one ever will...! and “they” will be nothing less than *obedient fleshapoid cogs in a sterile Gödelic machine* ^{FC173} *of unscrupulous democratic and republican Das Kapitalist fallacy* - believers in *mock rule of “lex talonistic” strong preying upon the weak chaos* - or be, *more-so*, mean actuators of *gross paraphiliacy... Homo technicus sado-ochlocrats... necro-godlings lacking empathy and dominating daft masocho-submissive Homo simplex citizen-slave “automatons”* They will, *in fact*, quick become nothing less than *Pavlovian worms... maggots... vermin...* a dispossessed *“mobile vulgus”* rife with ethnocentric cynicism... - *Homo sacer dunces* haply *vaccinated and genetically-engineered* and

666-microchipped and *euthanized* and *aborted* by the millions and tens of millions and hundreds of millions *according to R.C. Christian's Georgia Guidestones*.^{FC177}

Thus dost all riffraff so engross them - “hive-mind” “pod-spawn” nini-surrogates far too occupied with whatever *sexually perverse* and *violence-orientated crap* the *Zio-monopolized* television and film industry, the music industry, the field of sports entertainment and video gaming distracts them with - making heroes of villains, effeminizing men and liberating (i.e. hyper-sexualizing) women... by way of **Tavistockian MK-Ultra Monarch brain-washing, DARPA 5G AN/URC-117 GWEN Tower mind-control, and HAARP nanotechnology.**

Thus do *simian mentes reae sheeple* incredulously shut their eyes and ears to truth - and not only fear speaking out, but, *like the iocusic five monkeys*, punish those who do with vindictive retribution for doing so. Yet! know ye tha' thar be thaim "educated and erudite few" who actively *participate in marches and lectures* and *utilize social media* to *spread the truth* - not only here in Canada, but throughout North America and across Europe, and Australia and in South Africa.

Thus, whilst the hoi polloi pretends away - there be *we whom are active and resisting* and *working towards driving out those zombific parasites* what wouldst destroy our *once-great Western Civilization*... - those *soulless udughil leeches and sanguinary "spirit-cooking" vampyres* wantonly pissing abomination on the *Holy Light of Civilization* sparked and kindled alive by our stone age ancestors whom made "brilliance" ablaze in the *stygian gloom of paleomythic ignorance*.

Thus, whilst doltish cowards die “time, times and half-a-time”... - shirking the *duty inherent to the very spiritual nature of our “blood ☸ honour”*... - there are those of “us” who are struggling to *assure our oppressed offspring a future* in the lands we were born into... the lands our parents were born into... and their parents and grandparents before them... - and, for many of us *now here* in our **Canadian Motherland**, our roots go aback *fourteen generations* to the first White births pon the *virgin soil of Nouveau France* by our “*Les Nègres blancs d’Amérique*” *forefathers in Acadia and Québec*... - more-so, for *seven score generations* hitherto in our **European Fatherlands**, wherefrom emanated our noble proto-Solutrean-Clovis primogenitors ere the *supposed* “Adamite beginning of human life” - this, a smutty *Babylonian Talmudic lie* forced upon us gullible, superstitious dullards. [Mark y^e this: *Our de facto lithonic-age (λιθιο-ηλικία) peri-Mediterranean (viz. Atlantean) Vrillic (sic) Neanderthal/Cro-Magnon hybrid Zloty Baba z kamienia clan mothers suckled us chiliadisch epochs erst thereat in our Aratta-Scythiac-Cimmerian cradlelands - the Hyperborean source of our Nordic Picto-Gaëlic, Salien-Gaulish, Teuto-Suebian-Gaut, and Normanni-Anglo-Saxon ethnicity.*] ☩

I assure you citizen! *that we must secure a future for our vulnerable offspring* before its too late. We must *join together in solidarity* and *boldly draw a line in the dirt and stand proudly* and *resolutely* against the *burgeoning menace of those Thrid World tares* ^{FC135} sown amongst us by *eco-anomic speculators* the likes of **David Rockefeller R.I.P.**, **George Soros** and **Henry Kissinger**, who have in mind *our destruction* not only as free peoples - whether we be Canadian, American, Briton, German, Swede, French, &c... but as a race - our *Sacred Europid race*, which *within the next twenty years will quick become a loathed "xonky" minority* not only in Canada, the United States, Britain, Germany, Sweden, France, &c... but *throughout the world*. Thus be the *unholy beginnings of the death of our precious "Thulaic" bloodlines - persé* the certitude of *bellum omnium contra omnes*. ^{FC96}

I assure you citizen! “we” are coming together... - “we” are getting bigger... - “we” are getting stronger... - “we” are getting tougher... - “we” have to *be*... because *the unparalleled crime of a great and terrible world-wide racial civil war* is *being* instigated agin us *sans-culottes* by a dastardly oligarchist **Zoharian/neo-con New World Order** hierarchy - a catastrophe, *much to our misfortune*, those bastards put into action one piece at a time “àcroix” Europe... in South Africa... and Australia... and in the United States... - and, yes, even here in our own beloved Canada.

I assure you patriot! *we goyishe kopf* are in for the *blady* struggle of “our lives”! But, as saith wise **Count St-Germain**: “No situation is insurmountable.” Oi! the time is now here for **Canadian Nationalists** to solidate and recoup our stolen lands - lands which “we” dearly love - and *reclaim the future our kinsfolk’s innocent blood paid for* in Europe 100 years ago - and again some-seventy years ago... - only but to enrich tredecovinous Illuminist cyber-elitists and renegade Herzlian collectivists... - and to empower anarchistic Jesuits and Judeo-Masonic Jöntürkler nihilists... - to capacitate to a schismatic milieu of pompous Frankfurter hnøgrism... hegemonic bureaucrat snobbery... - to go belly up to anti-socio-ecological globalist-orchestrated weaponized “Teslaic” electro-magnetic radio-frequency and thermodynamic/bio-chemical *socicide*.^{FC179} For example, it is common knowledge that the *chemtrail science* of human-induced **anthropogenic global warming (AGW)** was largely invented to serve the UN’s perverted global-government goal of *population decrease* - as well as to facilitate a huge transfer of wealth to its *carbon credit trading* “green-connected sycophants” and other planetary geo-engineering sickos. [

Will you join the vile misanthropes!?! *those execrably dracorwellian zealots?*

Or will you join “us”? As said **Patton** : “Follow me, or get out of the way.”

Rise up and reclaim your stolen identity - your stolen heritage - your stolen future... and make certain our children's kismetic future! for tis "eat or be eaten."

*Heck! Whyn't ya ll git all fired up to **reclaim our country**? **Save your country** from the alien **Keynesians** plundering **our** *völkisch* "**Blut und Boden**" pedigree from **us...**? - from **you** and **youse...**? - those diabolical "mud-born denizens" looting the plastic spoon out our sweet unborn babes' mouth for to fatten their lickerish sour brats. ¹⁹ Do not play, do not give the game away.*

Gosh dang it, hoser! altercate fer what is rightfully yers and do everything in “yer power” to stop those haters from peculating what is ours - and ours alone!?

Sure! we must need rise anew in fidelity as **Orthodox Canadians**. *la Deo Vindice*
 O yea! must be we *civilly disobedient* to win aback *our lands* and *our*
government from *grimy strangers who've laid claim to ours...* filching what
 belongs to "us" piecemeal - slowly killing "us" by iotaic smidgens...
